If you have any questions on how to fill out this form, please ask prior to filling it out. When ordering wallets, a Qty of one means one sheet of eight wallets. If your order is too large for this form, please use two forms. You may mix paper styles within package deals. Due to the fact that I have to send each paper style through as a separate order, there is a $5.00 processing fee for orders containing either of the two special paper styles. To see samples of the three paper styles, please speak to Jeremy Snyder of Snyder Photography. He will be glad to show you.
